The Arizona Classic Thunderbird Club (ACTC) was founded in 1970, with the purpose of maintaining an organization to encourage and promote the ownership, care, and maintenance of the 1955, 1956, and 1957 Thunderbird.

Our very active and proud club has grown from six charter members to over 180 people. Cars in our club range from everyday drivers to national show winners. Meetings are usually held on the second Sunday of each month in the Phoenix area. Activities include car shows, parade participation, economy runs, theme parties, Midnight at the Oasis, Route 66 events, and an annual holiday party.

ACTC is affiliated with Classic Thunderbird Club International. CTCI has more than 100 chapters around the world, and publishes the Early Bird magazine. In which, you will find tips on restoration, maintenance, history, activities, and general interest articles, all focused on the classic Thunderbirds.

Membership in CTCI is encouraged but not mandatory. For information, contact: CTCI, P.O. Box 7393 North Kansas City, Missouri 64116. (562) 426-2709 or visit <http://www.ctci.org>

Annual dues in ACTC are \$40 per household, payable January 1st to the Arizona Classic Thunderbird Club. New members joining after February 1st pay \$3.50 per month through year end. Calculated as follows: _____ months through December X \$3.50 = \$ _____

Included in the annual dues is one (1) printed roster, and an emailed copy of the newsletter. Additional rosters are available at a cost of \$5 per roster.
