Arizona Classic Thunderbird Club (ACTC) was founded in 1970, with the purpose of maintaining an organization to encourage and promote the ownership, care and maintenance of the 1955, 1956 and 1957 Thunderbird.

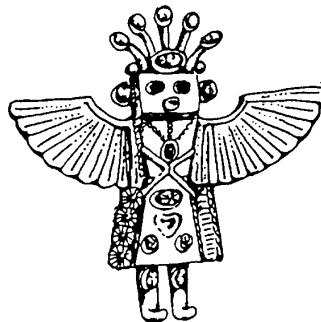

Our very active and proud club has grown from six charter members to over 250 people. Cars in our club range from everyday drivers to national show winners.

Meetings are usually held on the second Sunday of each month in the Phoenix area. Activities include car shows, parade participation, economy runs, theme parties, Midnight at the Oasis, Route 66 events and an annual holiday party.

ACTC is affiliated with Classic Thunderbird Club International. CTCI has more than 100 chapters around the world, and publishes the *Early Bird* magazine, in which you'll find tips on restoration, maintenance, history, activities and general interest articles, all focused on the classic T-birds.

Membership in CTCI is encouraged but is not mandatory. For information, contact: CTCI, 1308 East 29th Street, Signal Hill, CA 90755-1842.
